

Montessori Activities

FOR TODDLERS TO DO AT HOME

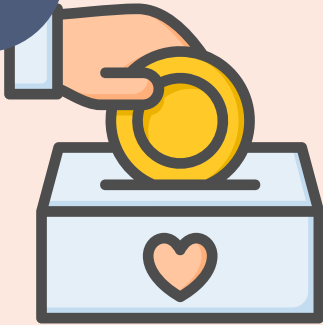

01

Dressing frames

Using a cardboard, laces, zipper, buttons etc one can create a all the dressing frames such as zipper frame, snap frame, button frame, etc..

02

Slot box or a coin Box

Using a mere cardboard or a old shoe box one can create a slot box.

03

Pouring Activities

Water pouring using a dropper, spouted jugs, bottle to glass, glass to glass.

04

Sensorial activities

Sensorial activities help a child to develop various senses. We can provide them with different fabrics, music instruments, colors boxes, tasting of various food items, smelling different food smell and many more.

05

Sorting activities

Children love sorting activities. From sorting colored pompoms to building blocks to clothes, it is the easiest activity that can be set up at home.
